QUICK ANSWERS · COMMON OBJECTIONS

"How is this different from other PD?"

ReBe Ed is **whole-health** — not just literacy or SEL. The **EPICS framework** (Emotional, Physical, Intellectual, Cultural, Social/Spiritual) covers every pathway a student and educator needs. Aligned to the **Science of Reading**.

"What does 'EPICS' stand for?"

Emotional · Physical · Intellectual · Cultural · Social/Spiritual. The five pathways of whole-health wellness that every ReBe Ed offering is built on.

"Do you have funding sources?"

Title IV-A, ESSER III, mental-health grants, Title I (ask about qualifying rate). We accept purchase orders with Net 30 terms.

"How long does onboarding take?"

A member of our team will follow up soon to walk them through next steps. *Don't quote a specific timeline — we haven't finalized it yet.*

"Can we start with just one part?"

Yes. Start with **Thrive** if leading with educator wellness, **K-2 Health Boosts** if student-first. Transform is the whole system — recommend to schools ready for both.

"What's the 3-5 pilot?"

Every buyer of K-2 Health Boosts gets **free access to the 3-5 pilot**. Their feedback shapes the final 3-5 product.
